Storage: Keep tightly closed in a dry and ventilated container.

Recommended temperature 5/35 ° C

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Ventilation: Ensure good ventilation at the workplace.

Respiratory Protection: No protection should be needed.

Eye Protection: No protection should be needed.

Skin Protection: The body-covering clothing should be sufficient.

Hand protection: Gloves recommended.

Other protective equipment: Facilities storing or utilizing this material should

Being equipped with a rinsing eye.

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical State: Liquid

Appearance: Opaque

Color: white

Odor: Odorless

Flammability: Not flammable

Flashpoint: nc

pure pH: 8.5 + / -0.5

Density g / cm³ 1.025

Solubility: 100 %

10. STABILITY AND REACTIVITY

Conditions to avoid: None in normal use.

Materials to avoid: None in the proper use

11. TOXICOLOGICAL INFORMATION

No data on preparation itself available. No known toxic properties during a appropriate use .

12. ECOLOGICAL INFORMATION

Any flow of pure product in large quantities into drains or watercourses should be avoided.

13. CONSIDERATIONS DISPOSAL

Dispose of in accordance with national and local regulations.

It is advisable to check the laws regulating waste disposal.

14. TRANSPORT INFORMATION

Transport product in accordance with:

ARD / RID : Class Number UN No.

Is not a hazardous substance as defined in the above regulations

IMDG / IMO UN Number Class Packing Group

No. No. Emoe MFAG

Is not a hazardous substance as defined in the above regulations

ICAO Class UN Number Packing Group

Is not a hazardous substance as defined in the above regulations

SAFETY DATA SHEET
according 91/155/CEE4

15. REGULATORY INFORMATION

Classification of the preparation according to Directive 1999/45/EC : The product is not subject to labeling according to EU directives.

contains:

Specific risk and safety recommendations:

Oe26: In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

Oe37: Wear suitable gloves.

16. OTHER INFORMATION

Working conditions of the user we are not known, the information given is based on our state of knowledge. The product should not be used for other purposes than those specified in our data sheets.

This information is as of the date or the record has been edited, accurate and reliable, but no warranty is given as to the accuracy, reliability or completeness of such information.
